Media Release - 19th March 2008

Finke Bike, Quad and Outfit Entries Now Open

Entries are now open for Bike, Quad and Outfit competitors wanting to take up the challenge and race in the 2008 Tattersall's Finke Desert Race.

"This year is definitely shaping up to the biggest ever for the bike section" said President, Antony Yoffa.

"Based on enquiries and early bird entries, the committee is expecting a full field of 500. People will have to get their entries in early to secure their spot in Australia's Greatest Desert Race."

"We've had numerous enquiries from first time racers and people coming with a group – some with up to 15 competitors – it's definitely going to be big."

"The 2007 defending bike champion, Ben Grabham will again be back to make it two-in-a-row. He'll have strong competition from both local and interstate competitors including Ryan Branford, Brad Williscroft, Jason Hill and Michael Walsh."

The cost of entry for the bike section is \$440.00. Entries close on Friday 25th April. Entry forms and information on this year's race can be obtained at www.finkedesertrace.com.au.

Car entry forms are expected to open early next week.
