

# INFORMATION FOR SPECTATORS

**Help us keep our event safe. If you're heading out, make sure you know the rules and keep up the COVID-safe behaviours.**

## **COVID-Safe Behaviours**

- How to identify symptoms
  - A recent acute respiratory infection (cough, sore throat, shortness of breath)
  - A fever of 37.5C or history of fever (night sweats, chills)
  - Loss of smell or taste
- Stay at home if you're feeling unwell
- Practice hand hygiene by washing your hands or using hand sanitiser
  - Frequently washing hands with soap and water  
*eg. after going to the bathroom, after handling money, before & after eating and touching face or hair*
  - Avoid touching eyes, mouth and nose
- Practice physical distancing by keeping 1.5m from those not known to you
- Adopt cashless payment methods
- Download the Covid Safe App to assist with contact tracing
- Check in using the Territory Check In App at all venues
  - Street Party and Night Markets
  - Start / Finish Line Complex in Alice Springs
  - Presentation Night at Alice Springs Convention Centre
- Wear a mask if traveling into the Finke Community

The Tatts Finke Desert Race travels to the Aputula Aboriginal Community at Finke. To support the health and safety of this vulnerable community we discourage ALL spectators from entering and camping on the Aputula Land Trust.

Should you choose to camp on the Aputula Land Trust you MUST register your details, complete the COVID-19 Declaration included in the registration and meet the camping levy of \$20 per adult. Failure to do so will put the future of our event at risk.

We encourage those Spectators that choose to travel into the Finke community over race weekend to wear face masks. The health and safety of the Finke Community remains a priority of the Finke Desert Race committee and we ask that you support us in keeping everyone safe.

Register through the link on our website [www.finkedesertrace.com.au](http://www.finkedesertrace.com.au)

## **PLEASE BE MINDFUL OF OTHERS**

**As you make your way around the event, please be mindful of others and keep 1.5metres of physical distancing where possible.**
